

## Electronic Transfer Authorization Form

I, \_\_\_\_\_, authorize Atlanta Postal Credit Union (APCU) to make it possible for me to transfer funds from my account(s) under member number \_\_\_\_\_ to the member number(s) listed below (known as a "cross-member" transaction) using (check all that apply):

- APCU's Internet Branch
- KeyTeller Audio Response System.

I waive all present and future claims against Atlanta Postal Credit Union and release APCU from all responsibility for loss or damage not caused by APCU's negligence.

I understand that I may not be able to verify the transfer in the receiving account and will not have access to those funds after the transfer has been made, unless I am listed as a joint owner on the receiving account. I further understand that I will not be able to access the received accounts through the Internet Branch or Key Teller Audio Response System unless this ability was previously established by me as a joint owner of the account(s).

It is my responsibility to notify APCU when I no longer want the cross-member transaction capability on the listed account(s).
