Security Procedures

Your Business Wire (online banking) and ACH entry protection are important to us. Because of this importance, APCU offers numerous security procedures to protect your online banking and ACH/Wire transfers, in addition to the Security Procedure Provisions in the Business Online Banking & Master Cash Agreement. This is especially important given the current levels of online banking fraud. You and your business understand and agree that the authenticity of any ACH transaction or Wire transmitted to APCU will be verified pursuant to the following security procedures:

- 1) Dual control- Dual control requires two employees or authorized individuals to approve an ACH transaction or Wire transfer.
- 2) Dedicated Computer- your company selects a computer or authorized device to be used solely for the execution of financial transactions. This dedicated computer has limited user access and limited use for financial transactions.
- 3) Payment Activity Review- APCU will monitor the Wire and ACH transactions to see if they comply with transactions that are in the normal course and scope of your business' transactions.
- 4) Daily Transfer Limits: The credit union will limit the amount of funds your business can transfer through wire or ACH based off approved limits requested on this application. Additionally, the credit union offers the ability for the business to set limits for employees to draft or approve ACH or Wires.
- 5) Soft tokens- This is a software program that provides a security token and technique that offers two factor authentication based on a passcode or Personal Identification Number (PIN) which is used to authorize a transaction or use of a particular service.
- 6) E-Mail verification- E-mail verification entails APCU sending designated individuals at the business an email confirming that wire or ACH has been initiated and to verify that this initiation of transfer is valid.
- 7) Process calendar- limits dates and times when wire and ACH transfers can take place.
- 8) Malware Protection Software: APCU warrants that the business has up to date virus/malware software installed and running on the computer or device being used to conduct financial transactions.

If the Business fails to meet these security procedures, the Business acknowledges that APCU first offered to the Business a "commercially reasonable Security Procedures" and is assuming responsibility for chosen risk. The Business further warrants that it waives its ability to bring suit against APCU for violating Article 4A of the Uniform Commercial Code. The Business further warrants that by failing to adopt to these commercially reasonable Security Procedures offered by APCU it agrees to hold harmless APCU for any erroneous or fraudulent wire or ACH transfers. Additionally, APCU/Center Parc Credit Union may refuse to accept any request for wire or ACH transfers initiated by the business and discontinue services should business reject these security procedures.

If you have more than one Account, you will have access through the Service to the Accounts you specify on the Authorization Form. If you specify more than one Account on the Authorization Form, we will "link" the Accounts together. Accounts which are "linked" under the Services will have one common owner and signer. Any signer, acting alone, must be authorized to access a linked account. Any non-linked account will not be accessible through the Service. Financial Institution may un-link any Account with or without notice in its

sole discretion. You must designate a Username and Password which will be required to gain access to the Service. Prior to your first use of Online Banking, the Financial Institution will assign you a User Name and Password, Biometric Logon, and/or other means of authentication approved by Financial Institution (collectively referred to as the “Access Code(s)”), required to gain access to Online Banking. The Online Banking system will ask you to change your Password the first time that you use the system.

“Eligible Accounts” include the following:

1. Checking (Demand Deposit) Accounts
2. Savings Accounts
3. Money Market Accounts
4. Loans
5. Certificates of Deposit

2.2. Security Procedure.

The use of the Access Code, in addition to other authentication methods described below, is a security procedure established by Financial Institution to authenticate the identity of the person attempting to gain access to the Service. The security procedure is not designed for the detection of errors. We may require you to change your Access Code from time to time for security reasons. You should keep your Access Code in a secure location. Any person having access to your Access Code will be able to access these Services and perform all transactions, including reviewing Account information and making Transfers to other Accounts and to other persons. **You are responsible for safeguarding the Access Codes. Providing these Access Codes to another person effectively constitutes a grant of authority to access your accounts.**

You agree to comply with the “Security Procedures” and any other Security Procedures Financial Institution directs you to use, and you acknowledge and agree that the Security Procedures, including (without limitation) any Access Code, password, personal identification number, user identification technology, token, certificate, layered security, or other element, means, or method of authentication or identification used in connection with a Security Procedure (“Security Device(s)”), constitute commercially reasonable security procedures under applicable law for the initiation of the Services you utilize, including without limitation, transfers and access to confidential information. You authorize us to follow any and all instructions entered and transactions initiated using applicable Security Procedures unless and until you have notified us, according to notification procedures prescribed by us, that the Security Procedures or any Security Device has been stolen, compromised, or otherwise become known to persons other than you or your representative(s) and until we have had a reasonable opportunity to act upon such notice. You agree that the initiation of a transaction or instructions using applicable Security Procedures constitutes sufficient authorization for Financial Institution to execute such transaction or instruction notwithstanding any particular designation by you of authorized persons or signature requirements identified on any signature card or other documents relating to your deposit account maintained with Financial Institution, and you agree and intend that the submission of transactions and instructions using the Security Procedures shall be considered the same as your authorized written signature in authorizing us to execute such transaction or instruction. You acknowledge and agree that you shall be bound by any and all transactions initiated through the use of such Security Procedures, whether authorized or unauthorized, and by any and all transactions and activity otherwise initiated by you, to the fullest extent allowed by law. You further acknowledge and agree that the Security Procedures are not designed to detect error in the transmission or content of communications or transaction initiated by you and that you bear the sole responsibility for detecting and preventing such error.

- 2.2.1.** You agree to appoint and designate an administrator (the “Administrator”) who will be authorized and responsible for creating and maintaining subsequent User Ids, Passwords and tokens on your behalf, including assigning and revoking access privileges for persons to use the Service, (“Business User”) and providing new and subsequent Security Devices to those Users. Financial Institution will provide Customer’s designated Administrator with a User ID number and Password, and tokens to be distributed by the Administrator to each User with respect to one or more of the Services. Customer understands that the Administrator has the capability of providing administrative privileges identical to that of the Administrator to any User, including the ability to create and maintain subsequent User accounts and assigning and revoking access privileges. If these privileges are granted by the Administrator to a User, that User will also be considered an Administrator. Customer will be required

to use the Security Device each time it accesses the Services. Customer acknowledges that any Administrator shall have the ability to control security levels such as Service access and Service transaction limits, including without limitation the ability to assign dollar amount limits to transfers of funds. You also agree that the Administrator or any User shall also have the authority on behalf of Customer to electronically accept and approve any and all agreements and amendments to agreements by and between Financial Institution and Customer, including but not limited to this Master Agreement. You agree to use caution when providing additional “Business Users” access and “User Authorities/Permissions”. Furthermore, you understand and agree that Atlanta Postal Credit Union will not be held liable for any harm or losses due to transactions initiated or approved by “Business Users” or “Administrators” authorized by the business.

2.2.2. You agree to keep all Security Procedures and Security Devices protected, secure, and strictly confidential and to provide or make available the same only to your authorized representative(s). You agree not to disclose or provide any Security Procedures or Security Devices to any unauthorized person. You also agree that Users shall not share Security Devices with each other. Where you have the ability to change or modify a Security Device from time to time (e.g., a password or User Name), you agree to change Security Devices frequently in order to ensure the security of the Security Device. You agree to notify us immediately, according to notification procedures prescribed by us, if you believe that any Security Procedures or Security Device have been stolen, compromised, or otherwise become known to persons other than you or your authorized representative(s) or if you believe that any transaction or activity is unauthorized or in error. In the event of any actual or threatened breach of security, we may issue you a new Security Device or establish new Security Procedures as soon as reasonably practicable, but we shall not be liable to you or any third party for any delay in taking such actions. You agree to indemnify, defend all claims, and hold Financial Institution harmless from any loss, damages, or expenses, including but not limited to attorney’s fees, caused by you, your employees’, or agents’ failure to keep the Security procedures or Security Device confidential and secure.

2.2.3. You agree to notify us immediately, according to notification procedures prescribed by us, if the authority of any authorized representative(s) shall change or be revoked. You shall recover and return to us any Security Devices in the possession of any of your authorized representative(s) whose authority to have the Security Device has been revoked.

2.2.4. We reserve the right to modify, amend, supplement, or cancel any or all Security Procedures, and/or to cancel or replace any Security Device, at any time and from time to time in our discretion. We will endeavor to give you reasonable notice of any change in Security Procedures; provided that we may make any change in Security Procedures without advance notice to you if we, in our judgment and discretion, believe such change to be necessary or desirable to protect the security of our systems and assets. Your implementation and use of any changed Security Procedures after any change in Security Procedures shall constitute your agreement to the change and your agreement that the applicable Security Procedures, as changed, are commercially reasonable and adequate for the purposes intended.

2.3. Access.

Services are generally accessible 24 hours a day, seven days a week, except that the Services may be inaccessible for a reasonable period on a daily basis for system maintenance. We are not liable under this Master Agreement or any applicable Product Schedule for failure to provide access due to a system failure or due to other unforeseen acts. We may modify, suspend, or terminate access to the Services at any time and for any reason without notice or refund of fees you have paid. The Financial Institution may change the terms and conditions of this Master Agreement or any applicable Product Schedule from time to time to conform with changes or advancements in our services, or as required by law or regulation. All such changes will be made according to the procedures outlined in Section 9.10. Use of Online Banking after the effective date of such changes will constitute your consent to the changes.

2.4. Equipment Requirements.

In order to use the Services, you must first obtain your own personal Access Device with Internet connection capability and related equipment (the “Hardware”). You also must provide the type of Internet access required by the Hardware and/or Software, which requires a web browser with Java scripting capabilities and 128-bit SSL encryption. Also recommended is an internet connection speed of Cable, DSL, T1 or higher, Microsoft Internet Explorer® Version 11.0 or higher (for Windows), Mozilla Firefox® Version 57 64-Bit0 or higher (for Windows) or Apple Safari® Version 10.0 or higher (for Mac OS). Once the Hardware has been properly connected and any required Internet access has been established, you will be able to access the Services. You are and will remain solely responsible for the purchase, hookup, installation, loading, operation and maintenance of the Hardware, Software, and the Internet access service to your Access Device, and for all related costs. You are solely responsible for virus protection and maintenance of your Access Device. Financial Institution shall have no responsibility for failures, interruption or other defects in the Services, which are occasioned by incompatible, improperly installed or improperly maintained hardware and software. The Financial Institution may add to, modify, or replace software programs used in conjunction with providing the Services under this Master Agreement or any applicable Product Schedule at its sole discretion and without notice, provided Services rendered to you are not substantially negatively affected or obligations altered. From time to time the Financial Institution may deem it necessary to hold training or retraining classes for you. You agree that you will require appropriate personnel to participate in such training. All rights, title and interest in and to (a) any and all software, including, but not limited to, the object and source codes therefore, and any and all updates, upgrades, fixes and enhancements thereto, together with any and all documentation, user guides and instructions pertaining thereto (everything in this clause (a), collectively, “Software”), and (b) any and all users guides, instructions and other documentation provided to, or used by, you in connection with the Services (everything in this clause (b) collectively, the “Documentation”) shall be, and remain, the property of Bank or any third party Software provider, as applicable. Unless otherwise expressly authorized, you may not (a) copy, reproduce, transmit, retransmit, disseminate, display, publish, sell, broadcast, circulate, distribute, transfer, assign, commercially exploit, reverse engineer, reverse compile or create derivative works of, the Software in any form or (b) copy, reproduce, transmit, retransmit, disseminate, display, publish, sell, broadcast, circulate, distribute, transfer, assign, commercially exploit the Documentation.

3.2. Additional Services.

Additional services may be included in an update to this Master Agreement or in other separate agreements to notify you of the existence of any new services available through Online Banking. Information about new services may be obtained from our website at www.apcu.com. Not all of the products or services described on the Financial Institution's website are available in all geographic areas. Therefore, you may not be eligible for all the products or services described. We reserve the right to determine your eligibility for any product or service. By using these services when they become available, you agree to be bound by the terms and conditions contained in this Master Agreement or separate agreements covering these services.

3.3. Restrictions; Limits.

In most cases you may use Online Banking to gain access to deposit accounts in which you have an unrestricted right to withdraw funds. However, the Financial Institution, as it may determine at any time and from time to time in its sole discretion, may deny Online Banking account access, restrict Online Banking account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any account.

3.4. Vendor.

You acknowledge and agree that the Service can be provided by an independent third party service provider ("Vendor") as selected by Financial Institution, and that both the Vendor and the Service are subject to change from time to time without notice to you. You further acknowledge, agree, and stipulate that the Vendor is an independent contractor providing software and data transmission services and is not the agent of you or Financial Institution. Neither the Financial Institution nor the Vendor is responsible for the actions or omissions of the other.

We will use reasonable efforts to make the Service available for your use on a continuous basis. The Service may be unavailable for short periods of time for regular or emergency system maintenance. We will endeavor to have our scheduled maintenance occur during non-peak hours. In addition, accessibility to the Service may be interrupted because of conditions beyond our control, including outages in Internet, cellular or other communications availability. We will use diligent efforts to re-establish the Services as promptly as possible. We do not promise the Service will always be available for your use. We may elect to discontinue this Service at any time. If we choose to discontinue the Service, we will provide you with reasonable notice in advance of that fact. We reserve the right at all times to take actions to protect our systems and information, including denial of access to users of the Service.

4. Other Services and Additional Information.

4.1. Account Access.

Transfers and Payments from your Account will be deducted on the date you instruct us to process them. If the date you schedule a Transfer or Payment falls on a weekend or holiday, we will process your transaction the next Transfer Day. We may refuse to act on your Transfer instructions or Payment request if sufficient funds, including funds available under any overdraft protection plan, are not available in your Account on the date you want us to make the Transfer or Payment.

4.2. Processing Fund Transfers.

We can process a Transfer until 3:00pm p.m., EST (Standard or Daylight) on a Transfer Day. If you request a Transfer after the cutoff time, the Transfer will be processed the following Transfer Day. If you schedule a Transfer for a future date, we will process the transaction after the close of business on that date, if that day is a Transfer Day.

You are fully obligated to us to provide sufficient funds for any payments or transfers you make or authorize to be made. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

If there are insufficient funds in your Account to make a Transfer or Payment, we may refuse to make the Transfer or Payment or we may make the Transfer or Payment and overdraw your Account. In either event, you are responsible for any non-sufficient funds (“NSF”) charges that may apply.

4.3. Canceling Transfers or Payments.

You may cancel a pending Transfer or Payment transaction. However, to do so, we must receive your instruction to cancel prior to the cutoff time on the Transfer Day the transaction is scheduled to be processed. If we don’t receive your instruction to cancel a transaction before that time, we may process the transaction.

4.4. Transfer(s) from Savings/Money Market Deposit Accounts.

Federal regulations require us to limit, either by contract or in practice, the number of certain types of transfers from savings and money market deposit accounts. You are limited to six (6) preauthorized electronic fund transfers per month. Each fund transfer through these Services from your savings or money market deposit account is counted as one of the six (6) transfers permitted each calendar month. However, payments to your loan accounts with us are not counted toward this transfer limit for savings/money market deposit accounts.

4.5. E-Mails.

The Financial Institution will not immediately receive e-mail that you send. Therefore, you should not rely on e-mail if you need to communicate to the Financial Institution immediately. For example, if you need to stop payment on a check, to report a lost or stolen card, or to report an unauthorized transaction from one of your accounts, you should contact the Financial Institution immediately by calling the Online Banking Department (see Section 10.6). The Financial Institution will not take actions based on your e-mail requests until the Financial Institution actually receives your message and has a reasonable opportunity to act.

4.6. Overdrafts: Order of Payments, Transfers, and Other Withdrawals.

If we pay the debit transaction or item on your behalf, you will be responsible for the overdrawn balance, and we may charge you overdraft fees. As discussed above, subsequent pending transactions and holds impact your available balance, which may cause your account to become overdrawn and subject to overdraft fees. For example, you have \$100 in your account. You use your debit card at a gas station and a preauthorization hold of \$60 is placed on your account because the amount of the transaction is not known at the time of authorization even though your gas was only \$50. The authorization hold reduces your available account balance to \$40. You then spend \$50 on groceries. If we pay this debit on your behalf, you will be responsible for paying the overdrawn balance, and we may charge you overdraft fees.

Additionally, we will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. In this situation, when the hold ends, the funds held will be added to the available balance in your account. If your account is overdrawn *after* the held funds are added to the available balance *and* the transaction is posted to the available balance, an Overdraft Fee may be assessed.

4.7. Bill Payment Service.

4.7.1. You can arrange, at your option, for the payment of your current, future and recurring bills from your designated Bill Pay Account. For Bill Payment Service, your Payee list may include utility companies, merchants, financial institutions, insurance companies, individuals, etc. within the United States whom you wish to pay through Bill Payment Service. Please include the full name of the Payee and a complete mailing address and telephone number for each Payee, along with your account number with the Payee, the amount of the Payment, and whether the Payment is recurring. The Financial Institution reserves

the right to decline to make Payments to certain persons and entities. You agree that any Payment for taxes, Payments that are court-ordered, government payments and Payments outside of the United States are prohibited and you agree that you will not attempt to use the Service to make these types of Payments. On recurring Payments, it is the responsibility of the account owner or designated authorized users to update Payee account information such as address changes, account numbers, etc.

Payments are posted against your ledger balance, plus the available credit on your overdraft protection, if any, or other line of credit.

- 4.7.2.** You may schedule Payments to be initiated on the current Business Day, on a future date, or on the same date of each month. If you are scheduling a Payment for the current day it must be initiated prior to 3:00 p.m. EST.. Changes to previously scheduled Payments must be made before 3:00 p.m. EST the Business Day before the day it is to be initiated. If the transaction shows an (IN PROCESS) status, then the Payment cannot be modified or deleted. Although you can enter Payment information through the Service twenty-four (24) hours a day, seven (7) days a week, the Financial Institution only initiates on Business Days. Funds must be available in your Account on the scheduled payment date. After funds are withdrawn from your Account to make a Payment, we may make the Payment either by transferring funds electronically to the Payee or by mailing the Payee a check. Funds will be deducted from your account on the same Business Day for Electronic Payments. Payments made by check will be deducted from your Account when the check clears your account. If you direct the initiation of a Payment to occur on a day other than a Business Day, it will be initiated on the following Business Day. The Bill Payment Service will indicate whether a Payee is paid electronically or by check.

When you create a new Payee in the Bill Payment service, it has a temporary status until we have had sufficient time to set up the account, and for your business Payees, verify information about your account. The Bill Payment service may provide a calendar feature that estimates the expected date of delivery of a scheduled Payment. This feature is an estimate only and not a guarantee of Payment delivery on that date. You should schedule a Payment to a new Payee at least ten (10) Business Days before any Payment due date, to allow us time to set up the Payee and verify information about your account with the Payee. Financial Institution is not liable for any service fees or late charges levied against you due to postal delays or processing delays by the Payee. There is no limit on the number of Payees or number of Payments that may be authorized. Financial Institution may, in its sole discretion, establish maximum payment amounts and aggregate daily limits. Electronic Payments are subject to the availability of sufficient funds in the designated checking account. However, Financial Institution reserves the right to impose limits at some future date, with proper written notice. You acknowledge and agree that if you describe a Payee inconsistently by name and account number, scheduled Bill Payment transactions to the Payee will occur on the basis of the account number, even if it identifies a person other than the named Payee.

For all subsequent Payments, you agree to allow at least three (3) Business Days for electronic payments and at least ten (10) Business Days for check payments between the date you schedule a Payment to be initiated and the Payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). If you do not, you will be fully responsible for all late fees, finance charges or other actions taken by the Payee. If you schedule your Payment and follow all instructions provided, and the Payment is not received by the Payee in a timely manner, a representative of Financial Institution will work with the Payee on your behalf to have any late fees or charges reversed.

When you schedule a Bill Payment that will be made by check, you authorize us to issue a check drawn on your qualified designated checking account for the requested amount. If sufficient funds are not available in your designated account when the check is presented for payment, we may refuse to honor the check and return it unpaid. At our sole discretion, we may elect to pay the check regardless of the insufficient funds. In either event, your qualified designated account will be charged our then current fee for processing insufficient items, whether the check is paid or returned, as applicable. You are responsible for any loss or penalty that you may incur due to a lack of sufficient funds or other conditions that may prevent the withdrawal of funds from your account.

- 4.7.3.** If Payment is to be made electronically and your Account does not have sufficient funds to make a Payment as of the date the transfer or Payment is attempted or scheduled to be made, the Transfer or Payment will be canceled and no further attempt will be made by Financial Institution to make the Transfer or Payment. Financial Institution shall have no obligation or liability if it does not complete a Transfer or Payment because there are insufficient funds in your account to process a transaction. In all cases, you are responsible for either making alternate arrangements for the Payment or rescheduling the Payment through the Service. In the case of recurring Payments, only the Payment currently scheduled will be canceled. Recurring Payments schedule for future dates will not be affected.
- 4.7.4.** Recurring Payments and Transfers are those made for the same amount, on the same date, on a weekly, bi-monthly, monthly basis, etc. Once started, recurring Payments and Transfers will be made automatically until you delete the Payment or Transfer or upon expiration. If the Payment is not a recurring Payment, it will be a “one-time Payment.” One-time Payments do not recur and are not made until you enter the Payee and amount of the current bill and submit the Payment. A recurring Bill Payment Service transaction that you want deleted must be deleted or the next Payment date changed 3 Business Day before the current transaction date.

A stop payment cannot be placed on an Electronic Bill Payment transaction once issued. However, a stop payment can be placed on a Bill Payment transaction by Bill Payment check on the day such check is scheduled for final payment. Times may vary.

There is no fee for deleting a Payment initiated through Bill Payment; however, a fee will apply for a stop on a Bill Payment check.

In the event a Payment is returned to us for any reason, you authorize us, in our sole and absolute discretion, to either research and correct the Payment information or to void the Payment and re-credit your Account.

- 4.7.5.** If you do not schedule or process a Payment via the Bill Payment Service for any three (3) month period, we may terminate your Bill Payment Service. If you close your Bill Payment Account, or if we terminate your Bill Payment Service, your online bill payment information will be lost and all pending payments will be cancelled. If you decide to terminate the Bill Payment Service, you agree to cancel all future bill payments at the same time that you cancel your Bill Payment Service, either by deleting those payments yourself using the Bill Payment Service or by calling us. This will ensure that future payments made by you will not be duplicated. We will automatically delete all outstanding payment orders (all one-time Payments and all Recurring Payments) once your Bill Payment Service has been terminated. Termination of the Bill Payment Service will not automatically close your Accounts and will not affect your obligations arising from past Bill Payment transactions.

4.8. Mobile Banking

- 4.8.1.** The Mobile Banking Service is similar to Online Banking Service and refers generally to any service allowing an existing customer to access and view Accounts from a web-enabled mobile phone or device (“Mobile Device”) whose network allows secure SSL traffic and supports WAP browsers. We do not guarantee the functionality of the Service on all wireless devices or networks; however, generally, the Service should be compatible with any web-enabled mobile phone or other Mobile Device, regardless of make, model, or mobile service provider. This proprietary solution adapts to any screen size and can change dynamically to present items on any screen in a pleasing format. The Mobile Banking Service allows you to view transaction history, view Account balances, view account transaction history, transfer funds between Accounts, pay bills to payees, view alerts, and if you have selected the Mobile Remote Deposit (or Remote Deposit) Service, remotely make deposits. In most cases you may use the Service to gain access to deposit accounts in which you have an unrestricted right to withdraw funds. However, the Financial Institution, as it may determine at any time and from time to time in its sole discretion, may deny Service account access, restrict Service account transactions, or place limits on the specific dollar amount of funds that may be withdrawn or transferred from any account. We will not be responsible for any errors or failures from any malfunction of your Mobile Device or any malicious software or other problems related to the

Mobile Device used with our Services. From time to time, we may develop additional mobile banking services. As we develop such services, you will have the opportunity to add them to your Mobile Banking Service, provided you have compatible wireless hardware and software.

4.8.2. To use the Service, you must have an open account at the Financial Institution, register for Online Banking Services, and have a compatible Mobile Device. During the registration process, you will enter your mobile phone number as well as other information we require to authenticate your identity. You will be provided with further instructions on how to access the Service using a software application ("App") or the browser on your Mobile Device. During this registration process, you will be required to provide your Online Banking Service identification credentials ("Access Code") that you must use each time you access the Service.

4.8.3. In addition to other Security Procedures provided for in this Agreement, the use of the Access Code, your Mobile Device, and Biometric Logon are security procedure established by Financial Institution to authenticate the identity of the person attempting to gain access to the Service. Biometric Logon is an authentication method to assist in verifying your identity. It collects your facial or fingerprint (image capture), or your voice biometric (audio recording). The security procedure is not designed for the detection of errors. We may require you to change your Access Code from time to time for security reasons. You should keep your Access Code in a secure location. Any person having access to your Access Code or your Biometric Logon will be able to access these Services and perform all transactions, including reviewing Account information and using the Bill Pay Services. With this Access Code, a third party will be able to use your Online Banking Service to add new payees to the Bill Pay Service. You are responsible for safeguarding the Access Codes, including your Biometric Logon, and your Mobile Device. Providing these Access Codes or Biometric Logon to another person effectively constitutes a grant of authority to access your accounts.

4.8.4. Because the Mobile Banking Service is similar to Online Banking Service on a PC, there are security risks associated with the use of the Service. The hardware and software that you use in connection with the Service may be subject to unauthorized tracking or other manipulation by spyware or other malicious code. We are not responsible for advising you of the existence or potential effect of such malicious code, and your use of your hardware and software is at your own risk. We will use commercially reasonable efforts to secure the Service to prevent access by unauthorized persons and to prevent the introduction of any malicious code, such as an Access Device virus. However, no security system is failsafe, and despite our efforts the security of the Service could be compromised, or malicious code could be introduced by third parties. We will provide you with notice if your information is the subject of a security breach as required by applicable law.

4.9. Mobile Deposit Service.

4.9.1. If you are enrolled in the Mobile Deposit Service and you have been approved by the Financial Institution to use the Service, the following terms and conditions are applicable to the Mobile Deposit Service. Your use of Financial Institution's Mobile Deposit Service ("Mobile Deposit Service") is governed by the terms of this Agreement. You acknowledge that e-mail and/or messages displayed on your mobile device will be the primary means of communication for the Mobile Deposit Service. You are responsible for maintaining a current e-mail address and you agree that you will, in a timely manner, review messages and notifications you receive from us and check your Account to confirm it reflects recent activity.

4.9.2. The Mobile Deposit Service allows you to use the Mobile Banking Apps to make deposits to your accounts from home or other remote locations; by taking photos of the front and back of original checks and transmitting the digital images ("images") and associated deposit information to us or our processor with your Mobile Device. In order to use the Mobile Deposit Service, you must be designated as an authorized signer or owner of an Account that is eligible for this Mobile Deposit Service or be designated by the Administrator and be approved by the Financial Institution.

4.9.3. We may establish per item transaction, daily, and monthly limits on the dollar amount and/or number of Check Images or Mobile Deposits from time to time. The daily and monthly limits are over

Business Days and calculated based on your total Mobile Deposit activity across all of the Accounts that you use with this service. If you attempt to initiate a Mobile Deposit in excess of these limits, we may reject your Mobile Deposit and you may deposit the check(s) in a manner consistent with other methods for making deposits provided by the Financial Institution (such as at a branch or ATM or by mail). If we permit you to make a Mobile Deposit in excess of these limits, such Mobile Deposit will still be subject to the terms of this Agreement, and we will not be obligated to allow such a Mobile Deposit at other times. Your dollar deposit limit will be disclosed to you at the time that you make the Mobile Deposit. Financial Institution reserves the right to change the limits. Any such change shall be effective immediately and may be implemented prior to your receipt of notice thereof.

- 4.9.4.** Upon acceptance of the Mobile Deposit, Financial Institution shall grant your Account Provisional Credit (as herein defined) for the total amount of the Mobile Deposit or the accepted Mobile Deposit, as applicable. As used herein, "Provisional Credit" means that when we post transactions to your account, the credit is made to your Account subject to final payment of the Checks and subject to the terms of the Deposit Agreement. For the purpose of determining availability of funds, Financial Institution may hold funds for the period of time permitted by Financial Institution's funds availability disclosure. Mobile Deposit funds are generally available the next Business Day after the Business Day of your deposit, unless a hold is placed. If a hold is placed, you will be notified.
- 4.9.5.** You hereby agree that you will only scan and deposit a check(s) as that term is defined in Federal Reserve Board Regulation CC ("Reg CC"). You agree that the image of the check that is transmitted to Financial Institution (each such check and other item a "Check" and, if more than one, "Checks") shall be deemed an "item" within the meaning of Article 4 of the Uniform Commercial Code (1990 Official Text). You further agree that you will not use the Mobile Deposit Service to deposit any Checks or other items that: (a) are payable to any person or entity other than you, (b) are prohibited by Financial Institution's then current Procedures pertaining to the Mobile Deposit Service or are in violation of any law, rule or regulation, (c) you know or suspect, or should know or suspect, is fraudulent or otherwise not authorized by the owner of the account on which the Check is drawn, (d) have not been previously endorsed by a financial institution and are either "substitute checks" (as defined in Reg CC or other applicable federal law or regulation) or "image replacement documents" that purport to be substitute checks, without Financial Institution's prior express written consent, (e) are drawn on financial institutions that are located outside of the United States or Territories of the United States, and (f) are not acceptable to Financial Institution for deposit into a deposit account as provided in the Deposit Agreement, which is incorporated herein by reference and made a part hereof (Checks described in clauses (a) through (g) each a "Prohibited Check" and, collectively, "Prohibited Checks"). If you deposit a Prohibited Check, you agree to indemnify and reimburse Financial Institution for, and hold Financial Institution harmless from and against, any and all losses, costs and expenses (including reasonable attorneys' fees) Financial Institution may incur associated with any warranty, indemnity or other claim related thereto. Furthermore, if, after first having obtained Financial Institution's express written consent to do so, you provide Financial Institution with an electronic representation of a substitute check for deposit into an Account instead of an original Check, you agree to indemnify and reimburse Financial Institution for, and hold Financial Institution harmless from and against, any and all losses, costs and expenses (including reasonable attorney's fees) Financial Institution incurs because any such substitute check resulting from such electronic representation does not meet applicable substitute check standards and/or causes duplicate payments.
- 4.9.6.** Each image must provide all information on the front and back of the original Check at the time presented to you by the drawer (the person or entity from whose account the Check was written), including, but not limited to, information about the drawer and the paying financial institution that is preprinted on the original Check, MICR information, signature(s), any required identification written on the front of the original Check and any endorsements applied to the back of the original Check. The image quality must meet the standards established by the American National Standards Institute, the Board of Governors of the Federal Reserve, and any other regulatory agency, clearing house or association.

- 4.9.7.** Endorsements must be made on the back of the Check and include (i) your signature, (ii) your account number and (iii) the following statement: "FOR MOBILE DESPOSIT ONLY."
- 4.9.8.** You acknowledge and agree that you shall be liable to us for any loss we incur caused by a delay or processing error resulting from an irregular endorsement or other markings placed on the Check by you.
- 4.9.9.** All images processed for deposit through Mobile Deposit will be treated as "deposits" under your current Deposit Account Agreement with us and will be subject to all terms of the Deposit Account Agreement and any amendments to such Agreement. To be eligible for processing on the day transmitted, Mobile Deposits must be received and accepted by Financial Institution on or before 3:00 p.m. EST or other cut-off time established by Financial Institution from time to time (the "Cut-Off Time") on a Business Day that the Financial Institution is open. A Mobile Deposit that is received after the cut-off time shall be deemed to have been received on the Business Day following the Business Day on which the Mobile Deposit is actually received by Financial Institution. When we receive an image, we will confirm that you have submitted the image via a message displayed on your Mobile Device. Your submission confirmation does not mean that the image contains no errors or that it has been approved for crediting. A status of "pending" does not indicate that the submitted item has been accepted. You will not receive a subsequent notification that a submitted image has been credited to your Account. You agree that Financial Institution has no obligation to accept a Mobile Deposit and, therefore, we reserve the right to reject any Mobile Deposit or the Images or other information contained therein transmitted through this Service, at our discretion, without liability to you. If your submission is rejected, you will receive e-mail of such rejection from the Financial Institution. It is your responsibility to check notifications from the Financial Institution for any rejected submissions and contact the Financial Institution to address the reason for such rejection. You acknowledge and agree that Financial Institution shall have no liability to you for failing to provide notice of rejection of a Mobile Deposit. You agree that you shall be solely liable for, and Financial Institution shall not have any liability whatsoever to you for, any Mobile Deposit or the Images or other information contained therein that are not received by Financial Institution. You also agree to be liable for Mobile Deposits or the Images or other information contained therein that are intercepted or altered by an unauthorized third party or dropped during transmission.
- 4.9.10.** Original Checks. After you have received confirmation that your Mobile Deposit has been accepted for deposit, you should mark the Check as having been deposited. You agree to securely store the original Check for a period of ten (10) calendar days from the date of the Image transmission (such period the "Retention Period"). During the Retention Period, you shall take appropriate security measures to ensure that: (a) the information contained on such Checks shall not be disclosed, (b) such Checks will not be duplicated or scanned more than one time and (c) such Checks will not be deposited or negotiated in any form. Upon expiration of the Retention Period, you shall destroy the original Check you transmitted as an Image using a method of destruction that will result in the paper-based Item being un-processable and all sensitive personal and financial information undecipherable. You hereby indemnify Financial Institution for, and hold Financial Institution harmless from and against, any and all claims, demands, actions, causes of action, losses and damages, of whatever nature or kind, and regardless of the theory upon which the same is (are) based, caused directly or indirectly by, arising out of, related to, in connection with or resulting wholly or partially from, the destruction of original Checks by you. During the Retention Period, you agree to promptly provide the original Check to the Financial Institution upon request.
- 4.9.11.** You agree that, in the event you are not able to capture, process, produce or transmit a Mobile Deposit to Financial Institution, or otherwise comply with the terms hereof or of the Procedures, for any reason, including, but not limited to, communications, equipment or software outages, interruptions or failures, you will make the deposit in a manner consistent with other methods for making deposits provided by Financial Institution until such time that the outage, interruption or failure is identified and resolved. You hereby acknowledge and agree that Financial Institution shall not be liable to you for any loss or damage of any nature sustained by you as the result of your inability to use the Mobile Deposit Service. The deposit of original Checks through these other

methods shall be governed by the terms and conditions of the Deposit Account Agreement and not by the terms of this Agreement.

4.9.12. If Images of Checks deposited by you are dishonored or otherwise returned unpaid by the drawee financial institution, or are returned by a clearing agent for any reason, including, but not limited to, issues relating to the quality of the Image, you understand and agree that, since you either maintain the original Check or have destroyed it in accordance with the Original Check provisions in this agreement, the original Check will not be returned, and Financial Institution may charge back an Image of the Check to your Account. You understand and agree that the Image may be in the form of an electronic or paper reproduction of the original Check or a substitute check. Unless otherwise instructed by Financial Institution, you agree not to deposit the original Check if an Image or other debit as previously described is charged back to you.

4.9.13. Your Warranties. You make the following warranties and representations with respect to each image:

- Checks Deposited. You shall only deposit Checks that are authorized by this Agreement, the Procedures and the Deposit Agreement;
- Image Quality. Each Image transmitted by you to Financial Institution contains an accurate representation of the front and the back of each Check and complies with the requirements of this Agreement;
- Accuracy of Information. All data and other information submitted by you to Financial Institution, including, but not limited to, data contained in the MICR line of each Check is complete and accurate and complies with the requirements of this Agreement;
- No Duplicates. You will not: (i) create duplicate Images of the Checks, (ii) transmit a duplicate Image or File to Financial Institution, or (iii) deposit or otherwise negotiate the original of any Check of which an Image was created. You further warrant that no subsequent transferee, including but not limited to Financial Institution, a collecting or returning bank, drawer, drawee, payee or endorser, will be asked to pay the original Item from which the Image(s) was created or a duplication (whether paper or electronic, including ACH entries) of the Item(s);
- No Loss. No subsequent transferees of the Item(s), including but not limited to Financial Institution, a collecting or returning bank, drawer, drawee, payee or endorser, shall sustain a loss as the result of the fact that the Image was presented for payment or returned instead of the original Check;
- Information. All information provided by you to Financial Institution is true, complete and accurate;
- Authority and Legality. (i) This Agreement is valid and enforceable against you in accordance with its terms; and (ii) the entry into, and performance of, this Agreement by you will not violate any law, or conflict with any other agreement, to which you are subject;
- No Litigation. There is no action, suit or proceeding pending or, to your knowledge, threatened, which if decided adversely, would adversely affect your financial condition or operations.
- Transactions. All Checks and transactions are, and will be, bona fide. All signatures on Checks are authentic and authorized.
- Rule Compliance. You submit Images in compliance with this Agreement, the Procedures, applicable law and the Rules.

4.9.14. Indemnification and Liability; Third Party Claims. In addition to the other indemnities set forth in this Agreement, you hereby indemnify Financial Institution and each of its parents, subsidiaries and affiliates and their respective officers, directors, employees, members, partners, agents, insurers and attorneys (each an "Indemnified Party" and, collectively, the "Indemnified Parties") for, and hold each of the Indemnified Parties harmless from and against, all actions, causes of action, claims, damages, liabilities and expenses (including reasonable attorneys' fees) of any nature or kind (including those by third parties) arising out of, or related to, this Agreement, including all actions, causes of action, claims, damages, liabilities and expenses arising out of, related to or resulting from:

(a) your (i) failure to report required changes, (ii) transmission of incorrect data to Financial Institution or (iii) failure to maintain compliance with the Rules, (b) (i) Financial Institution's provision of the Service, or (ii) Financial Institution's action or inaction in accordance with, or in reliance upon, any instructions or information received from any person reasonably believed by Financial Institution to be you, (c) your breach of any of your representations, warranties, covenants or other agreements or responsibilities under this Agreement and/or (d) your breach or violation of any Rules; provided, however, you are not obligated to indemnify Financial Institution for any damages solely and proximately caused by Financial Institution's gross negligence or willful misconduct.

5. Limitations.

Your use of these Services is subject to the following limitations:

In addition to the Federal banking regulations that restrict the number of transfers and withdrawals, there may be limits on the number of transactions you can make using these Services. These limits are for security reasons and are subject to change.

5.3. Foreign Transactions.

No Payments may be made to Payees outside the United States, unless the Customer has been specifically approved by the Financial Institution.

5.4. Additional Limitations.

Additional limitations may be contained in this Master Agreement or the applicable Product Schedule. Your ability to initiate transactions may also be limited by the terms of other agreements you have with the Financial Institution or by applicable law.

6. Parties' Responsibilities.

6.1. Your Responsibility.

6.1.1. Physical and Electronic Security.

6.1.1.1. You are solely responsible for providing for and maintaining the physical, electronic, procedural, administrative, and technical security of data and systems in your possession or under your control. We are not responsible for any Access Device viruses (including, without limitation, programs commonly referred to as "malware," "keystroke loggers," and/or "spyware"), problems or malfunctions resulting from any Access Device viruses, or any related problems that may be associated with the use of an online system. Any material downloaded or otherwise obtained is obtained at your own discretion and risk, and Financial Institution is not responsible for any damage to your Access Device or operating systems or for loss of data that results from the download of any such material, whether due to any Access Device virus or otherwise. You are solely responsible for maintaining and applying anti-virus software, security patches, firewalls, and other security measures with respect to your operating systems, and for protecting, securing, and backing up any data and information stored in or on your operating systems. Financial Institution is not responsible for any errors or failures resulting from defects in or malfunctions of any software installed on your operating systems.

6.1.1.2. You acknowledge and agree that it is your responsibility to protect yourself and to be vigilant against e-mail fraud and other internet frauds and schemes (including, without limitation, fraud commonly referred to as “phishing” or “pharming”). You agree to educate your representative(s), agents, and employees as to the risks of such fraud and to train such persons to avoid such risks. You acknowledge that Financial Institution will never contact you by e-mail in order to ask for or to verify Account numbers, Security Devices, or any sensitive or confidential information, and will never provide links to websites in e-mails that Financial Institution transmits to you. In the event you receive an e-mail or other electronic communication that you believe, or has reason to believe, is fraudulent, you agree that you shall not respond to the e-mail, provide any information to the e-mail sender, click on any links in the e-mail, or otherwise comply with any instructions in the e-mail. To the extent allowed by law, you agree that Financial Institution is not responsible for any losses, injuries, or harm incurred by you as a result of any electronic, e-mail, or internet fraud.

6.1.1.3. In the event of a breach of the Security Procedure, you agree to assist Financial Institution in determining the manner and source of the breach. Such assistance shall include, but shall not be limited to, providing Financial Institution or Financial Institution’s agent access to your hard drive, storage media and devices, systems and any other equipment or device that was used in breach of the Security Procedure. You further agree to provide to Financial Institution any analysis of such equipment, device, or software or any report of such analysis performed by you, your agents, law enforcement agencies, or any other third party. Your failure to assist Financial Institution shall be an admission by you that the breach of the Security Procedure was caused by a person who obtained access to your transmitting facilities or who obtained information facilitating the breach of the Security Procedure from you and not from a source controlled by Financial Institution.

6.1.2. Reporting Unauthorized Transactions.

You should notify us immediately if you believe your User Name or Password have been lost or stolen, that someone has gained access to the Security Procedure, or that someone has transferred or may transfer money from your Account without your permission or if you suspect any fraudulent activity on your Account. To notify us, call us at the number provided in Section 10.6 between 8:30 a.m. to 5:00 p.m. EST during a Business Day.

6.1.3. Duty to Inspect.

You shall inspect all transaction history, reports, journals, and other material evidencing the output of the Service(s) performed by Financial Institution. You must report all errors to the Financial Institution for Services performed and indicated in the transaction history, reports, journals, and other material evidencing the output of the Service(s) or otherwise reported to you daily by the close of business on the banking day following the day on which the Service(s) is rendered. You must report all other errors within a reasonable time not to exceed thirty (30) days from the date that the error is made. Failure of you to promptly report errors within such specified time shall preclude you from asserting against the Financial Institution any claims arising from the error or any loss caused by the error.

6.1.4. Financial Information.

Financial Institution may from time to time request information from you in order to evaluate a continuation of the Service(s) to be provided by Financial Institution hereunder and/or adjustment of any limits set by this Master Agreement or any applicable Product Schedule. You agree to provide the requested financial information immediately upon request by Financial Institution, in the form required by Financial Institution. If you refuse to provide the requested financial information, or if Financial Institution concludes in its sole discretion that the credit risk of you is unacceptable, Financial Institution may terminate the Service according to the provisions hereof. You authorize Financial Institution to investigate or re-investigate at any time any information provided by you in

connection with this Master Agreement or any applicable Product Schedule or any Services and to request reports from credit bureaus and reporting agencies for such purpose.

6.1.5. Deadlines.

You shall deliver or transmit all data or information to Financial Institution by the deadline(s) specified in this Master Agreement or any applicable Product Schedule and the Operating Instructions. Financial Institution shall have no obligation to process data or perform the Service if the data is not received by the Financial Institution by the specified deadline.

6.1.6. Payment for Services.

6.1.6.1. You agree to pay Financial Institution the fees established by Financial Institution for rendering the Services under the terms of this Master Agreement or any applicable Product Schedule. Depending on which Online Banking services you subscribe to, you will be charged the applicable Online Banking fees as set forth in our General Information and Fee Schedule hereby incorporated by reference and made a part hereof. Once you have subscribed, you will be charged the applicable Monthly Fee(s) whether or not you use Online Banking.

6.1.6.2. The Financial Institution may change or add any fees for Online Banking by the procedures outlined in Section 9.10 for amending this Master Agreement. Fees charged for Online Banking under this Master Agreement are in addition to any service charges or fees that apply to your accounts with us.

6.1.6.3. You authorize the Financial Institution to deduct all applicable Monthly Fees from any Account listed on the Authorization Form. If you close the Account(s) associated with the Service, Fees may be deducted from any other account you maintain with us or any of our affiliates. Furthermore, Financial Institution may set off against any amount it owes to you in order to obtain payment of your obligations under this Master Agreement or any applicable Product Schedule.

6.1.6.4. In addition to the Service fees, you agree to pay for all taxes, tariffs and assessments levied or imposed by any government agency in connection with the Service, this Master Agreement, and/or the software or equipment made available to you (excluding any income tax payable by Financial Institution). You are also responsible for the costs of any communication lines and any data processing charges payable to third parties.

6.1.7. Required Deposit Balance.

You agree to maintain the minimum collected balance ("Required Deposit Balance") in the amount and in the account specified in the Product Schedule establishing the terms and conditions of the specific Services selected by you and the set of detailed instructions ("Operating Instructions") establishing the procedures and operating instructions governing the Service.

6.1.8. Data and Information Supplied by You.

You shall transmit or deliver data and other information in the format and on the media as provided for in the Product Schedule and the Operating Instructions if applicable or as otherwise required by the Financial Institution in conjunction with rendering the Service(s) selected by you. You shall have the sole responsibility of ensuring the accuracy and correctness of the data transmitted. You acknowledge and agree that Financial Institution shall not examine the data for correctness and the Financial Institution shall not have any responsibility for detecting errors in the data transmitted by you. The data transmitted by you must be legible, correct and complete. Financial Institution shall not process, and Financial Institution shall not be liable to you for failure to process, the data if it is not in the format specified by Financial Institution or if the data is incomplete. Financial Institution

shall not be liable for errors or omissions caused by data that is rejected as the result of your failure to provide the data in accordance with the standards specified in the Master Agreement or any applicable Product Schedule and the Operating Instructions.

6.1.9. Remotely Created Checks.

If you use a Service wherein you create or deposit a Remotely Created Check, as that term is defined in Federal Reserve Board Regulation CC, you warrant to Financial Institution that the person on whose account the Remotely Created Check is drawn authorized the issuance of the check in the amount stated on the check and to the payee stated on the check.

6.1.10. Use of Services.

You will use the Services only for your own internal business use in accordance with the terms of this Master Agreement. Without limiting the generality of the foregoing, you agree not to make the Services available or allow use of the Services in a computer bureau service business, time-sharing, or otherwise disclose or allow use of the Service by or for the benefit of any third party. FURTHER, YOU REPRESENT AND WARRANT THAT NONE OF THE ACCOUNTS HAVE BEEN ESTABLISHED OR ARE BEING OR WILL BE USED FOR PERSONAL, FAMILY OR HOUSEHOLD PURPOSES AND THAT YOU ARE NOT A "CONSUMER" UNDER REGULATION E - ELECTRONIC FUNDS TRANSFER ACT (HEREIN, "REG. E").

6.1.11. Prohibited Transactions.

You agree not to use or attempt to use the Services (a) to engage in any illegal purpose or activity or to violate any applicable law, rule or regulation, (b) to breach any contract or agreement by which you are bound, or (c) to engage in any internet or online gambling transaction, whether or not gambling is legal in any applicable jurisdiction, (d) to engage in any activity or business that would result in you being or becoming a "money service business" as defined in the Financial Institution Secrecy Act and its implementing regulations, or (e) to engage in any transaction or activity that is not specifically authorized and permitted by this Agreement. You acknowledge and agree that Financial Institution has no obligation to monitor your use of the Services for transactions and activity that is impermissible or prohibited under the terms of this Agreement; provided, however, that Financial Institution reserves the right to decline to execute any transaction or activity that Financial Institution believes violates the terms of this Agreement.

6.1.12. Other Customer Requirements.

6.1.12.1. Beneficial Ownership Reporting and Certification. Customer represents and warrants to Financial Institution that the beneficial ownership (as that term is defined in the Anti-Money Laundering Act of 2020, Public Law No. 116-283, §6403) of Customer as identified in the Deposit Account opening process remains true and correct as of the date Customer enters into this Master Agreement or that Customer has provided Bank with written confirmation of the current beneficial ownership information. Further, Customer represents and warrants that Customer shall immediately notify Financial Institution in writing of any changes, and to complete any and all forms requested by Financial Institution, regarding a change in substantial control of Customer and/or any change of ownership or control of 25% or more of the ownership interests in Customer.

6.1.12.2. Data Security and Personally Identifiable Information. To the extent you come into possession, custody or control of any Personally Identifiable Information or other non-public information, including information (1) provided by a consumer to you, (2) resulting from any transaction with the consumer or any service performed for the consumer, or (3) otherwise obtained by you with regard to a consumer, including account information (collectively "PII"), you represent and warrant to Financial Institution and its Vendors that you will protect such PII by rendering it unreadable and inaccessible by persons who do not have legal authority to access such PII.

6.2. The Financial Institution's Responsibilities.

Financial Institution agrees to use ordinary care in rendering Services under this Master Agreement and any applicable Product Schedule. You recognize and agree that ordinary care does not mean error free. You agree to pay all attorneys' fees, costs and expenses Financial Institution may incur in collecting any sums you owe to Financial Institution for overdrafts, service charges or otherwise or in enforcing any rights Financial Institution may have under the terms of this Master Agreement and any applicable Product Schedule or applicable law, rule or regulation applicable to your account(s) or the Services rendered by Financial Institution under this Master Agreement and any applicable Product Schedule. You also agree to pay all attorneys' fees, costs and expenses that Financial Institution may incur as the result of defending any claim or action made against Financial Institution by you, or on your behalf where Financial Institution is found not to be liable for such claim. In no event shall Financial Institution be liable to you for attorneys' fees incurred by you in any action brought by you against Financial Institution.

Our sole responsibility for an error in a transfer will be to correct the error. Without limiting the generality of the foregoing, we will not be responsible for the following matters, or for errors or failures of our Services as result of:

In addition, should you at any time receive or acquire any information relating to another customer of the Financial Institution, you shall promptly return such information to Financial Institution and not reveal such information to any other party and shall not make use of such information for your own benefit. Financial Institution and your obligations and agreements under this paragraph shall not apply to any information supplied that was known to either party prior to the disclosure by the other, or is or becomes generally available to the public other than by breach of this Agreement, or otherwise becomes lawfully available on a non-confidential basis from a third party who is not under an obligation of confidence to either party. Notwithstanding anything to the contrary contained herein, it is authorized and agreed by the parties hereto that the performance of said Service is or might be subject to regulation and examination by authorized representatives of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, the Board of Directors of the Federal Deposit Insurance Corporation, and/or a State regulatory agency and you agree to the release of your reports, information, assurances, or other data as may be required by them under applicable laws and regulations. Upon termination of this Master Agreement and/or any applicable Product Schedule, (i) you will promptly pay to Financial Institution all sums due or to become due under this Master Agreement and/or applicable Product Schedule, and (ii) you shall have no further right to make use of the Service or any system or software which may have been provided in connection with the Service.
