About the APCU Foundation

The APCU Foundation is a 501(c)(3) organization and serves as the philanthropic arm of APCU/Center Parc Credit Union. For nearly 100 years, as a not-for-profit financial cooperative, APCU has provided exceptional financial solutions and services to its members. Apart from that service, the credit union has given back to its community through charitable endeavors and community investment projects. Through this foundation, APCU/Center Parc strategically focuses those efforts by living up to the credit union mission of “people helping people.”
