48 Month	3.295%	3.35%							
60 Month	3.295%	3.35%							

*APY = Annual Percentage Yield

Except as specifically described, the following disclosures apply to all of the accounts.

1. Rate Information. The Annual Percentage Yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For all accounts, the Interest Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. The Annual Percentage Yield is based on an assumption that interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

2. Interest Compounding and Crediting. The compounding and crediting of interest applicable to each account is set forth in the Rate Sheet. For Certificate 1 year or greater accounts, members have the choice to have interest credited monthly or quarterly.

3. Balance Information. The minimum balance requirements applicable to each account are set forth in the Rate Sheet. For all accounts, interest is calculated by the Daily Balance method which applies a daily periodic rate to the principal in the account each day.

4. Accrual of Interest. For all accounts, interest will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

5. Transaction Limitations. After your account is opened, you may not make deposits into the account until the maturity date stated on the account.

6. Maturity. Your account will mature as indicated on this Rate Sheet or on your Account Receipt or Renewal Notice.

Early Withdrawal Penalty. We may impose a penalty if you withdraw any of the principal before the maturity date.

Amount of Penalty. For all accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of less than 1 year	90 days interest.
Terms of 1 year or more	180 days interest.

How the Penalty Works. The penalty is calculated as a forfeiture of part of the interest that has been or would be earned on the account. It applies whether or not the interest has been earned. In other words, if the account has not yet earned enough interest or if the interest has already been paid, the penalty will be deducted from the principal.

Exceptions to Early Withdrawal Penalties. At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:

- When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction; or
- Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment; or

- Where the account is a Keogh Plan (Keogh) provided that the depositor forfeits an amount at least equal to the simple interest earned in the amount withdrawn; or

- Where the account is an IRA or Keogh and the owner attains age 59 1/2 or becomes disabled.

Automatic Renewal Policy. Upon expiration of the initial term, the certificate will be automatically renewed for the same term, at the interest rate in effect at that time, unless written notice for alternative disposition is received by APCU/Center Parc within the required period as defined in the next paragraph.

The share certificate will automatically renew at the close of business on maturity or on the maturity date of any renewal term unless 1) withdrawn or transferred within the ten (10) calendar day period immediately following the scheduled or renewal date; or 2) APCU/Center Parc gives written notice that the certificate will not be renewed.

Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with APCU/Center Parc.

The rates appearing in this sheet are accurate and effective for accounts as of the effective date indicated on the rate sheet. If you have any questions or require current rate information on your accounts, please call APCU/Center Parc at (800) 849-8431.
